# EXPLANATION NOTES

The 1981 statistics have been compared with the 1980 statistics whenever possible. The 1980 statistics are presented in brackets. Within each major category the statistics are divided into two broad geographical areas: 1. those libraries located outside Unicity Winnipeg classified as *RURAL*; 2. the library system within Unicity Winnipeg classified as *WINNIPEG*. Within the first geographical area the libraries are arranged alphabetically. The *Expenditure* figures were taken from the annual audited statements. The *Circulation* figures and the *Resources* figures were taken from library annual reports and the Statistics Canada Annual Survey of Public Libraries. A dash, —, indicates that no information was submitted for a category.

**General Statistics**

The population of the province and of the municipalities and the number of organized municipalities were taken from the *1977 Statistical Information Respecting the Municipalities of the Province of Manitoba*, published by the Department of Municipal Affairs and listing the official 1976 census figures.

**Income and Expenditure**

INCOME:

Provincial Grant: Total operating and establishment grants paid in respect of the library's 1981 fiscal year under Manitoba Regulation 189/80. The fact that the library's fiscal year corresponds to the calendar year while the provincial fiscal year is April 1 to March 31 may contribute to inconsistencies between the library's audited statement and provincial records. Where this occurs, a footnote is provided.

Grants were calculated using 1976 census figures, 1981 equalized assessments, and 1981 proposed municipal levies. The use of proposed levies in the grant calculation may necessitate adjustment in the subsequent year's grant where the audited statement reflects a levy other than that proposed. Such adjustments are indicated in a footnote.

Grant Per Capita: Total provincial grant divided by the total population served by the library.

Municipal Levy: Total tax income and grants in lieu of taxes from the municipality or municipalities which established the library.

Other: Total funds received from all other sources such as lost books, non-resident memberships, donations, etc. Surplus funds, from whatever sources, are not listed here.

Total: Total of Provincial, Municipal and Other income.

EXPENDITURE:

Personnel: Total amount spent for wages, salaries and fringe benefits for library staff.

Materials: Total amount spent on the purchase of books, periodicals, newspapers, audio-visual materials, microforms and other library materials.

Other: Total amount spent on all other items with the exception of furniture and furnishings.

Furniture/Furnishings: Total amount spent on furniture and equipment out of current revenue. Expenditures associated with the erection of new buildings or renovations are not listed in this category.

Total: Total of Personnel, Materials, Other and Furniture/Furnishings.

Expenditure Per Capita: Total current expenditure divided by the total population served by the library.

Address: Mailing address of central branch of each regional or municipal library.

**Circulation**

PRINT MATERIAL:

A dash, —, indicates that the circulation figures were not listed separately in annual reports.

Total: Total of adult and children's circulation of books, periodicals and pamphlets.

Circulation Per Capita: Total circulation of books, periodicals and pamphlets divided by the total population served by the library.

FILMS:

Total number of films, filmstrips, and filmloops lent.

TALKING BOOKS:

Total number of cassette tapes lent for use by the print handicapped.

SOUND RECORDINGS:

Total number of records, record sets, eight track or cassette tapes lent.

INTERLIBRARY LOAN:

Loans to or from libraries which are not an integral part of the same administrative unit.

**Resources**

VOLUME:
A volume is all material contained in one binding or portfolio, whether it is as originally issued or bound after issue.

VOLUMES ADDED:
Total volumes added.

VOLUMES WITHDRAWN:
Total volumes withdrawn.

VOLUMES HELD:
Total volumes held.

VOLUMES PER CAPITA:
Total volumes held divided by the total population served by the library.
